

Helping Kids and the Environment

RTFH: Thanks so much for Helping Us Build a World of Loving-Kindness – One Mitzvah at a Time!

Make sure all toys adhere to the following guidelines:

- Clean, we recommend using a gentle cleaner or disinfectant
- Plastic, wood, or diecast
- All required parts or pieces are included and attached (using baggies/tape)
- No plush toys
- In gently-used or good condition. Remember these toys will be used again soon!
- NO baby items, teething, bath toys, feeding equipment, strollers, highchairs, cribs, or kids furniture.

Some of the items that you can recirculate with SCT

Legos, building blocks:
DO NOT need to be in the
package! Mixed sets are
fine- all you need is
creativity!

Figurines: Dinosaurs,
animals, characters.

All kids books in good
condition.

Board Games, Puzzles,
Craft Sets: Extra important
to make sure all necessary
pieces are present with
these items.

Dolls, small
dollhouses, and
clothing.

Electronics/
Learning Toys

Craft Materials
(still useable-
good condition
or new)

Pre-loved and outplayed toys that are
recirculated with Second Chance Toys are
diverted from landfills and
rehomed directly to our

approved [recipient organizations](#) that are serving children and families
in need in the United States. Scan the QR code to learn more about
Second Chance Toys.
